Fast Charge Your Laptop

10% Faster

2-in-1: Power up to 2 devices simultaneously thanks to 2 USB-C 65w ports.

Fast Charge 2 Devices: Use the 2 USB-C ports to charge your phone, notebook, smartwatch, and earbuds at high-speed—all at the same time.

Clutter-Free Charging: You can direct power cords behind your desk while having simple, clutter-free access to the front-facing USB-C ports.

Safety: MiraHub enhances protection by intelligently monitoring temperature and adjusting power output to safeguard your connected devices.
